

**Christian Benda's supporting  
statement for the Campaign for  
Climate Justice:**

"Now it's time...  
Conducting time is conducting life...  
Time is life...  
Time is not timeless...  
Life is not eternal...  
Tic, tic, tic...  
Time is not for sale...  
Time is not ours...  
Time is lent to us...  
Tic, tic, tic..."
